High-Pitched Alarm

130DB

When an anomaly is found, the infrared acousto-visual alarm emits a 130DB large volume alarm, and the red and blue lights alternately flash

4 ALARM MODES

Low Power Consumption

When the battery is too low, the APP pushes a low battery reminder notification

*Shipped without batteries

Mobile APP control

24-hour remote monitoring, Knowing the situation at home through the mobile APP allows you to really travel with confidence

Alarm Information Push Switch

Turn on this switch, trigger the sensor in the disarmed state, there will be a push message; Closed without

Multi-Device Linkage

In the home, multiple sensors are installed in different locations, such as doors, kitchens, bedrooms, etc., through the connection with other smart home devices, smart life can follow you where you go

WiFi model requires 2.4G WiFi connection

ZigBee models require a Tuya gateway

Family Sharing Control

Main account has the exclusive permissions,one click to share the permissions with the whole family. let the family enjoy the fun of smart life!

Product Specification

INTELLIGENT SECURITY PROTECTION

Wireless Type :	2.4G Wi-Fi / Zigbee3.0
Alarm volume:	130DB
Standby current:	<20uA
Battery:	AAA*2
Operating Temperature:	-10 Celsius - 40 Celsius (14degF-104degF)
Operating Humidity:	20% - 85%
Storage Temperature:	-10 Celsius -60 Celsius (14degF-140degF)
Storage Humidity:	0% - 90%
Standby time:	12 months
